

## 2020 Year in Review

This was a unique and unexpected year in many ways. With a global pandemic disrupting our normal routines and schedules since March, every person, business and industry has been affected in ways that we could not have predicted.

The building supply industry was no stranger to these challenges as we were all forced to respond and adapt to the circumstances of the world around us to find success.

The MBSA is proud of each of our members and friends who worked hard to make this a special year in spite of the many difficulties we collectively faced. Check out just a few of the things we are proud of by reading the news and notes listed inside this pamphlet.

## 2020 Annual Conference March 2020

Earlier in 2020 (before COVID-19), we were able to hold our annual conference in South Bend, Indiana.

The 2020 conference was a great time of networking, education, and industry updates for all attendees. We are glad to have had another successful conference and are looking forward to when we can safely gather again!

## 2020 MBSA Ryder Cup September 2020

While our normal golf outings were canceled due to COVID, we still held the annual Ryder Cup Challenge between Indiana and Michigan. Congrats to this year's champion, Team Michigan!

## Blair Collings Scholarship

While we could not fundraise as we normally do in the annual MBSA golf tournaments, we are thankful for our generous donors who continue to make this great program possible.

This scholarship is a staple of the MBSA and is a great benefit to our members and their families. If you would like to donate, [you may do so here](#).
