

New Member Benefit From MBSA

In Partnership With National Transportation Consultants (NTCI)

The Midwest Building Suppliers Association (MBSA) has partnered with National Transportation Consultants (NTCI) to give members direct access to expert drug testing and DOT compliance solutions — tailored for both CDL and non-CDL fleet operations.

No matter your fleet size, NTCI helps you stay safe, compliant, and protected.

Reduce risk of fines, lawsuits, and costly verdicts

Boost operational efficiency and driver retention

Strengthen your reputation with customers and insurers

CDL & NON-CDL

Drug & Alcohol Testing Services

NTCI offers comprehensive drug and alcohol testing programs designed to help businesses like yours:

- Stay compliant with DOT regulations
- Maintain detailed records and reporting
- Conduct training for supervisors (as required by FMCSRs)
- Ensure safe hiring and operating practices
- Avoid costly penalties and lawsuits

What We Can Handle So You Don't Have To

As a full-service compliance partner, we also offer:

- Mock DOT Audits
- Driver Qualification File Management
- Hours-of-Service and ELD Review
- Maintenance File & Safety Score Reviews
- Accident Document Readiness
- Policy & Procedure Development
- Safety Program Design
- Coaching & Supervisor Training

Getting Started Is Simple

Schedule a quick call, choose your services, and let us handle the compliance — so you can focus on running your business.
